A Reason for Every Season

Whether you've joined us for one season or you've stuck around for them all, there's something special about the seasonality of Maryland's Mountaintop. Chances are you're a winter enthusiast with a knack for snowy mountains and a love for the rush of a good run. Maybe you're a lake lover who spends their summers on the shores of Deep Creek Lake, paddling away to the sound of the waves and the laughter from the beach. Or maybe your sights are set to the blooming springs or the mosaic of colors that appear in the fall, bringing an entirely different view of the mountains. No matter what first brought you here, each change in the leaves keeps you coming back for more, finding a reason for every season. There's plenty that summer has in store, and we're kicking things off strong with a Memorial Day Weekend celebration inspired by a backyard barbecue. Bring your appetite for adventure and meet us in the mountains.
